Ser. No. 10/538811 Response to Office Action of 122908

Atty Docket 200512.00033

REMARKS/ARGUMENTS

Claims 1-37 were pending at the time of the mailing of the outstanding Office Action.

Claims 14-37 were withdrawn from consideration. By this amendment, claims 1, 4, 7, 8, 10, 12

and 27 have been amended. Claims 2 and 3 have been cancelled without prejudice or

disclaimer as to the subject matter contained therein. No new claims have been added.

In the Office Action of December 29, 2008, the Examiner objected to claims 2-4

because they recited nonelected inventions and because claim 4 repeats the word "the." Claims

1-13 were rejected under 35 U.S.C. § 112, first paragraph, as failing to comply with the written

description and enablement requirements. The Examiner indicated that the specification

satisfied the written description requirements for SEO. ID. NO. 1. Claims 1-13 were also

rejected under 35 U.S.C. § 112, second paragraph as being indefinite for failure to point out and

distinctly claim the subject matter of the invention. Claim 2 was considered to be indefinite for

the use of the phrase "cell wall extract." Under 35 U.S.C. § 102(b), claims 1, 2 and 7-13 were

rejected as anticipated by Weinberg et al. (Int. Pub. No WO99/64439).

Claim 1 has been amended to recite that the polypeptide comprises SEQ ID NO.: 1.

Claim 4 has been amended to eliminate repetition of the word "the." Claims 2 and 3 have been

cancelled.

The Applicant maintains that claim 1, as amended, satisfies the written description and

enablement requirements of 35 U.S.C. § 112, first paragraph. The specification both describes

and enables claim 1 as amended. Similarly, the Applicant maintains that claim 1 also satisfies

the requirements of 35 U.S.C. § 112, second paragraph and is not indefinite. No recitation is

now made regarding a "cell wall extract." Furthermore, because claim 1 recites that the FAD-1

polypeptide comprises SEO ID NO.: 1, as originally recited in claim 3, claim 1 patentably

distinguishes over WO99/64439. Withdrawal of the objections to the claims, as well as the

rejections under 35 U.S.C. §§ 102(b), and 112, first and second paragraphs, is respectfully

requested.
